Allowable Subject Matter

3. Claims 5-18 are allowed.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Blot, Fecher et al. and Osterday et al. each teach a deformable element with kinks connected with the plunger.
